Fashion and art advice from someone f.arding through life

A bonus family photo of my sister and me painting. She has always been a massive inspiration to me and I love her beyond words. So thanks Hen you're the best.

This week as you were so well behaved in 2024 I let you see a little part of my collage painting process.

- Step 1. Dive in and Snip Snip Snip.
- Step 2. Decide what not to glue down.
- Step 3. Glue and Paint until your art lesson has finished.
- Step 4. Keep it stewing in the back of your mind until classes resume.

WORK IN PROGRESS: Dunny, 2024

Anita and Mila, 2024

Dear Wonderful Christina Kimeze, Thanks for giving us a little slice of your world. It is simply magical.

Thanks to Adam for my new F.Art beanie

And thanks for the gorg charity shopped chapeau Lynn & Fearg.

- Girl TALK**
- Important questions to help you dress more like a tree...
- Is **green** still going strong?
 - Do you look like a **juicy berry**?
 - Have you **decorated** yourself with enough ornaments?
 - And most importantly, have you drunk enough **water** today?

It has been on repeat for a long time My musical recommendation tw is:
