

# F.Art

Alright cuties.  
This week I give you  
my homage to Paul Delaroche:  
The Execution of Lady Jane Grey.  
I had been working on this for a  
while, until I needed a break. Then  
my friend Sjak came by the studio,  
gifted me some fresh ideas and  
energy and has resulted in this...

Giles'  
Pyjamas?

I thought we could  
look at how I envision  
my summer wardrobe.  
Heavily influenced by:  
**Buffy the Vampire Slayer.**  
So let us high kick  
our way through  
this edition of F.Art.

If Willow dressed

Presenting: **Trumpets of Michel-Ange**  
by **Ibrahim Maalouf**. Because whenever  
I hear a brass band playing it stops  
me in my tracks. This album certainly  
got me dancing, hope it gets you  
going too.

Hello **Toyin Ojih Odutola**.  
Thank you for painting so  
many **TEXTURES**. It feels  
like there is an ever  
flowing ocean inside of  
you and somehow you paint  
it into each work.

Don't forget
