

F.A.R.T

It is still January so HAPPY NEW YEAR you beautiful people!
 We are back to it, F.ARTING our way into 2026 and F.ARTING all over the house! The home studio is in full swing, whilst I have tasked myself with painting every single day of 2026. So far I have only missed two days, I don't know about you, but I count that as a raging success. Anywho, let us F.ART!
