BE ON HIGH ALERT
THERE'S A WHOLE
LOTTA SILLY
GOOSEES ON THE
LOOSES

This week we are here, trying to
enjoy that journey, instead of
blindly getting to the destination.

A real wild work of
F.Art from Jessie
Makinson. Her
paintings are sure
to take you to
some
unforgettable,
unexplainable
and extremely
fashionable
destinations.
You are sure to
have a great trip
and feel cute with
all that insulating
body hair and
those fishy scales.

It is all
WORK-SAUCE-F.ART
in Bavaria

There has been relentless
painting with a 20 minute
timer going **BEEP BEEP**
BEEP all week.

Here are the hot takes,
these four are for sale, and
obviously discounted if you
send a voice note of your
best raspberry.

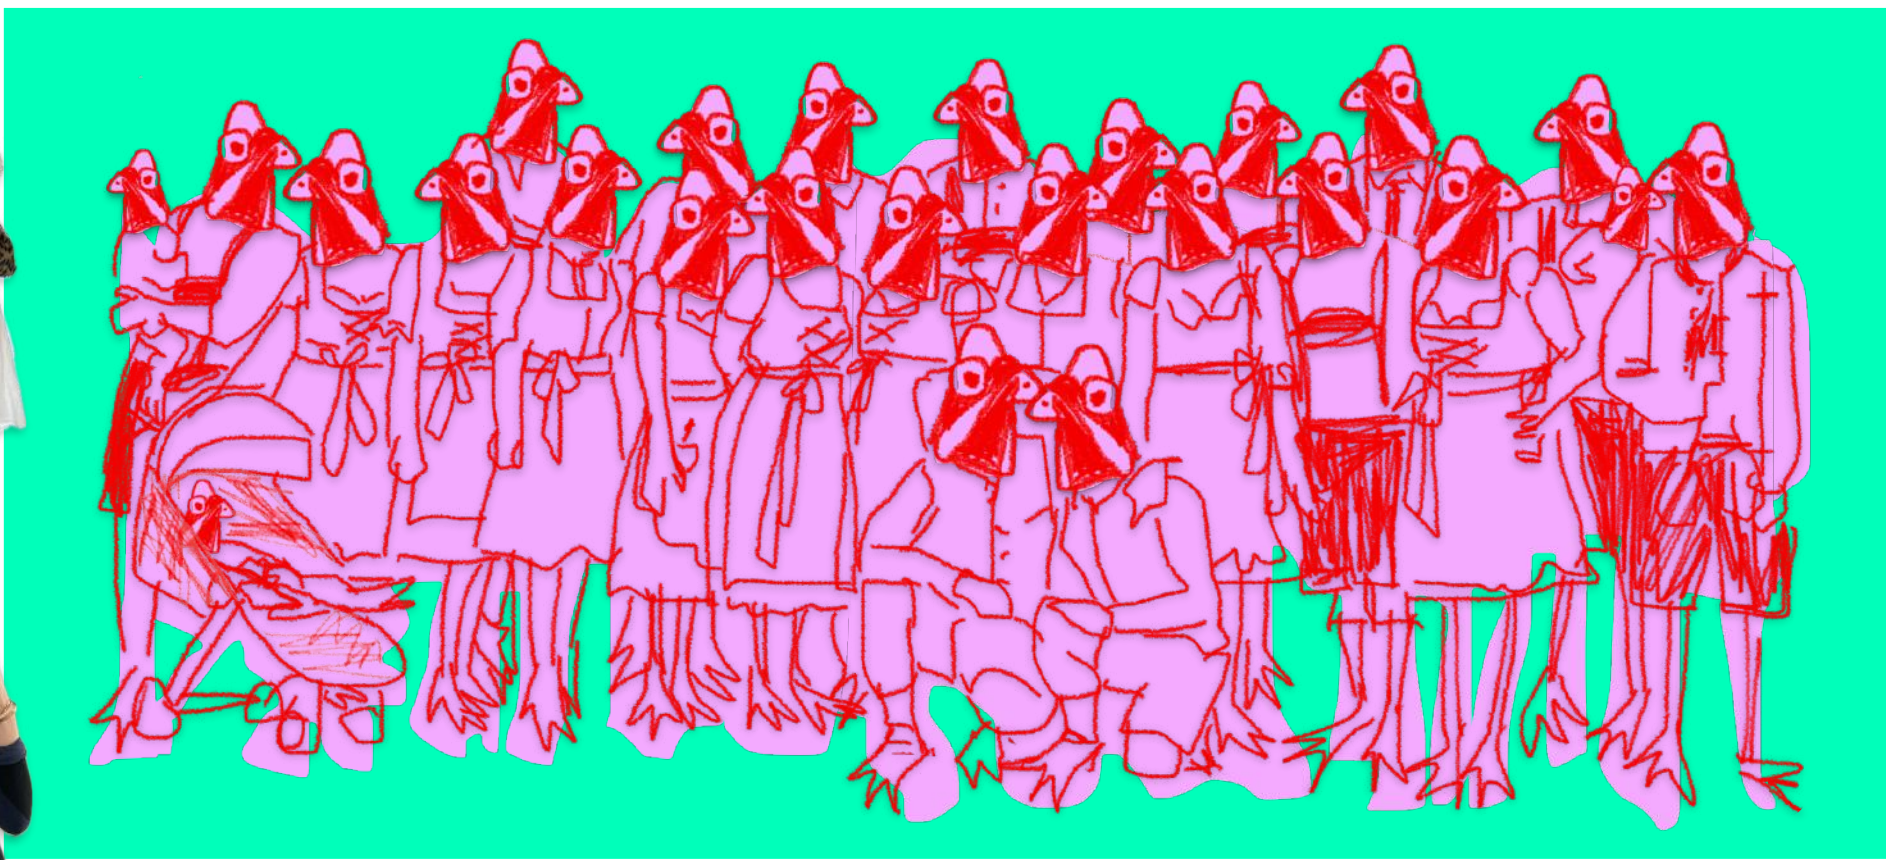

This week I advise you to:
Maraude Medievally
Because, when it comes
down to it,
Bavarian-Jester-Folk chic
Just shan't go out of
style darlings.

- Dig around in
your drawers and
pull out that
Ruff, failing
that a Big Ol'
Collar does the
job -

- I've said it
before and I'll
say it again:
Pointed shoes are
Jester Chic Every
Day Son. -

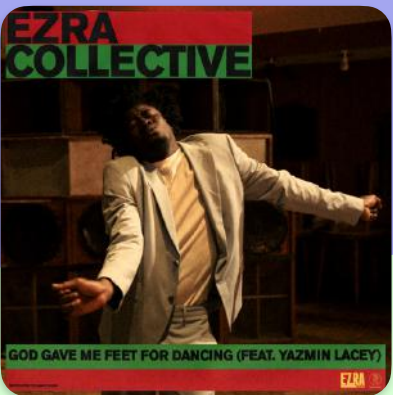

- Neckerchiefs,
waistcoats,
cotton prairie
dresses and
braids are where
the **Folk Vibes**
are at -

- And Tartan just
because a kilt
gives **pizazz** -

I decided to do the world some good and expose my friends for what they really are
A GAGGLE OF SILLY GEESE

If you need me to help expose your friends too, send me a message ASAP, they must
see the cold hard web-footed facts.
